INTRODUCTION

The Nebraska Territorial Pioneers' Association is an organization formed for the purpose of perpetuating the memories and the deeds of the territorial pioneers of Nebraska, and inspiring their descendants with respect and reverence for the founders of this commonwealth. It is the further purpose of the Association to register the names of the pioneers of Nebraska and to preserve historical data concerning them, together with their personal reminiscences. The increasing value of the record thus obtained will become more and more apparent as the years go by.

The Association was organized in Lincoln, Nebraska, May 26, 1892, upon the occasion of the celebration of the Silver Anniversary of the state of Nebraska. Its membership was at first limited to those who became residents of Nebraska prior to its admission as a state. Later the constitution was amended to admit in a separate group, known as Class B, all who were lineal descendants of territorial pioneers, and to designate those included by the original constitution as Class A. At the annual meeting in January, 1908, the constitution was again amended to provide for enrolling as associate members, to be known as Class C, all who became residents of, or were born in, the state between March 1, 1867, and January 1, 1875.

The Association has always maintained the closest relations with the Nebraska State Historical Society, and has of late years held its annual meetings at the same time and place.

The records of the Association were not always kept with the greatest care, and especially was there more or less of carelessness in the recording of proper names. We have sought to give as nearly as possible in the following pages the complete record of the membership as disclosed by the Secretary's book. An especial effort has been made to give correct names, addresses and dates. The Secretary will welcome any correction in this record.

CLARENCE S. PAINE,
Secretary-Treasurer.

December, 1910.

CONSTITUTION

OF THE

NEBRASKA TERRITORIAL PIONEERS' ASSOCIATION

Article 1. NAME—The name of this organization shall be the Nebraska Territorial Pioneers' Association.

Article 2. OBJECT—The object of this Association shall be to preserve the names and records of the Territorial pioneers, and their descendants, and to hold, from time to time, reunions of the pioneers, where they shall meet to renew the memories and friendships of pioneer days, and for such business as may properly come before the Association.

Article 3. MEMBERSHIP—There shall be four classes of members, known as Class A, Class B, Associate and Honorary members. Any person born in Nebraska, or who became a bona fide resident of the territory, prior to March 1st, 1867, shall be eligible to membership in Class A, upon payment of the membership fee as hereinafter provided. All lineal descendants of those eligible to membership in Class A shall be eligible to membership in Class B, upon payment of membership fee. Deceased persons, who were, during life, eligible to membership in either of these classes, may be enrolled upon payment of the membership fee. Any person who became a resident of, or was born in, Nebraska prior to January 1st, 1876, may become an associate member, with all the privileges of active membership, upon payment of membership fee. Honorary members may be elected by unanimous vote of the members of the Association present at any annual or mid-year meeting, or at any meeting of the executive committee. A certificate of membership in due form, signed by the president or a vice-president and the secretary, shall be issued to all members.

Their duties shall be the same as those usually assigned to the officers in similar organizations. There shall also be one honorary vice-president selected from each county in the state, such honorary vice-presidents shall be named by the executive committee, and shall hold office for one year.

Article 6. EXECUTIVE COMMITTEE—Three members shall be appointed by the president immediately after the annual meeting, each year, who, together with the president and secretary-treasurer, as ex-officio members, shall constitute the executive committee. Such executive committee shall have full control and general direction of the affairs of the Association.

Article 7. MEETINGS—The annual meetings of this Association shall be on the first Tuesday after the second Monday of January of each year.
